

## **John Williamson to Assume Role of President and Chief Executive Officer of Atkore International, Inc. and Director of Atkore International Group Inc.**

HARVEY, Illinois, – May 25, 2011 – Effective June 1, 2011, John P. Williamson will assume the role of President and Chief Executive Officer of Atkore International, Inc. (“Atkore”) and be appointed as a member of the Board of Directors of Atkore International Group Inc. (“Atkore Group”). In addition, Mr. Williamson is currently expected to be appointed to the Governance Committee and the Executive Committee of Atkore Group. In the view of the Atkore Group board of directors, Mr. Williamson is uniquely suited to sit on the Atkore Group board of directors not only because of his role as President and Chief Executive Officer of Atkore but also as a result of his extensive experience in industries similar to those served by Atkore, as well as his significant leadership experience in the operations arena.

Mr. Williamson, 50, has spent the last six years with ITT Corporation including, in 2009, being named president of the Water & Wastewater division, headquartered in Stockholm, Sweden. Prior to working for ITT, Mr. Williamson spent 17 years with the Danaher Corporation, ultimately serving as Senior Vice President of Global Operations for the Fluke Corporation. Mr. Williamson earned a Bachelor of Arts in Business Administration from California State University Fullerton, and holds a Certificate in Strategic Marketing Management from Harvard Business School.
