Atkore International Inc. Divests Brazil Business

Harvey, Illinois, September 26, 2013/PRNewswire/ -- Atkore International Inc. (“Atkore”), today announced that it has completed the sale of its Brazil business to Panatlântica S.A.

“We continuously review the viability of all aspects of our business to ensure alignment to our corporate strategy, core product offerings and targeted customer base,” commented John Williamson, President and Chief Executive Officer of Atkore International. “The divestiture of the Brazil business will allow us to redirect resources to other strategic opportunities that will help Atkore better serve the needs of our customers, support growth initiatives and make us a stronger company overall.”

The Atkore Brazil business manufactures non-galvanized mechanical tube, as well as slitting of structural sheets. It employs approximately 275 people.

About Atkore International Inc.
